Today was so incredible.

Elizabeth Jane Mitchell you are a natural talent but above all, the effort and thought put in to every detail. For me? It was stunning, I can't thank-you enough!

Thank you everyone for coming to make the last week hurdle of this pregnancy a good one, here is to the rest of the week before the new princess arrives.

Elizabeth, seriously.. Vintage Romance has shone brightly at my baby shower, I can't wait to see and be a part of more of it all.
